

Secure, cost effective epayslips for your staff

WCBS ePAYS LIPS is our electronic PAYE delivery solution. It delivers payslips, P60s and other documents through a securely accessed portal, providing searchable, auditable records that work alongside your existing payroll software.

WCBS ePAYS LIPS will save your school both time and money by removing the production and distribution costs of printed salary-related documents, and provide a more secure delivery than sending them via email.

mypayrewards benefits for employers

Offering employee benefits to your staff demonstrates that you care about their finances, health, welfare and wellbeing. There are many advantages, such as:

- Encourages talent • Promotes loyalty •
- Reduces staff attrition • Stretches salary •

mypayrewards benefits for employees

mypayrewards includes discounted shopping from a wide range of High Street shops, eateries, online stores and supermarkets.

Whether they are doing the routine weekly grocery shop, buying clothes or their morning coffee, the discounts offered by mypayrewards means they pay less than face value for their e-voucher or gift card.

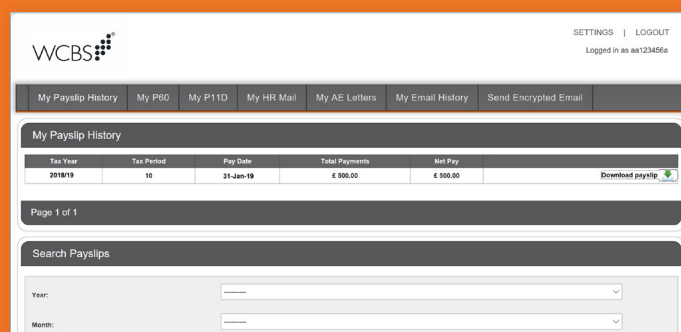

ePAYSLIPS KEY FEATURES

- Highly secure and auditable process
- No more printing and folding payslips
- Staff access by logging in wherever they are
- Integrates with passFINANCE Payroll using a simple transfer routine
- Branded to match your corporate identity to provide a professional image
- Eliminates the need for reproducing PAYE documents
- Underpins green policies by reducing waste and consumables
- The cost-effective and reliable answer to a more streamlined Payroll department!

Why use a mailing portal?

Emailed payslips are not encrypted and could fall into the wrong hands. An email is easily forwarded by accident or hacked into, all outside the control of the finance and payroll systems.

WCBS ePAYSLIPS store all content and historical information securely, which means our customers will never have the risk of deleting, losing or accidentally forwarding payslips.

The image above shows how payslip history is displayed in the portal. Current and previous payslips are easily accessed and the portal can be customised with your school's branding.

P45 Capability

WCBS ePAYSLIPS has the option to securely upload the school's P45s produced in Pass, making it more efficient and cost effective compared to a traditional hard copy.

What do you need to deliver WCBS ePAYSLIPS?

Our Payroll module is HMRC accredited and specifically designed for the needs of independent schools. That's all you need to start saving time and money to deliver important information to your staff in a more secure, convenient way!
